Press matter will pass through the hands of a committee of which F. T. McWhiter, secretary of the board, will be chairman. It is known, however, that Dr. H. A. Gobin will offer his resignation as president of the university giving poor health as his reason. It probably will not be accepted. Professor Walker, of the rhetoric department, already has resigned, and Professor May, principal of the preparatory school, also has tendered his withdrawa: from the faculty to enter the ministry. Other changes are expected. The Methodist Historical Society did not meet to-day according to the programme, as there was not enough of the members here to form a quorum. The society is on the point of disbanding, it is understood. The annual festival of the School Music was given to-night in Meharry Hall, | ing, city; Max J. Hammel, electrical engi-
